

NSF Science Code & Description

A.01: Aeronautical/Astronautical D Engineering

A.02: Bioengineering/Biomedical D Engineering

A.03: Chemical D Engineering

A.04: Civil D Engineering

A.05: Electrical D Engineering

A.06: Mechanical D Engineering

A.07: Metallurgical/Materials D Engineering

A.08: Other D Engineering

B.01: Astronomy D Physical Sciences

B.02: Chemistry D Physical Sciences

B.03: Physics D Physical Sciences

B.04: Other D Physical Sciences

C.01: Atmospheric D Environmental Sciences

C.02: Earth Sciences D Environmental Sciences

C.03: Oceanography D Environmental Sciences

C.04: Other D Environmental Sciences

D.00: Mathematical Sciences

E.00: Computer Sciences

F.01: Agricultural D Life Sciences

F.02: Biological D Life Sciences

F.03: Medical D Life Sciences

F.04: Other D Life Sciences

G.00: Psychology

H.01: Economics D Social Sciences

H.02: Political Science D Social Sciences

H.03: Sociology D Social Sciences

H.04: Other D Social Sciences

I.00: Other Sciences

J.01: Education D NonD Science and Engineering

J.02: Law D NonD Science and Engineering

J.03: Humanities D NonD Science and Engineering

J.04: Visual and Performing Arts D NonD Science and Engineering

J.05: Business and Management D NonD Science and Engineering

J.06: Communication, Journalism and Library Science D NonD Science and

Engineering J.07: Social Work D NonD Science and Engineering

J.08: Other D NonD Science and Engineering
