

### Internship Information for SWES Website

SWES would love to spotlight you and your internship on the Internship page of our website.

It would be great if you would share some information about yourself, your internship organization, responsibilities, and why you applied to intern with that organization including how the internship came to be. Just a few paragraphs and picture or two would be great. We could also link to any website or other relevant news article. You can take a look at some of the postings to get an idea and let me know if you have any further questions. I have included a link to a previous student spotlights for your reference. <https://swes.cals.arizona.edu/spotlight>
